PETITION UNDER 37 C.F.R. §1.313(c) TO WITHDRAW APPLICATION
FROM ISSUE AFTER PAYMENT OF ISSUE FEE

Applicants hereby petition to have the above-identified application withdrawn from issue after payment of the issue fee.

Accompanying this petition are a Request for Continued Examination, an Amendment and a Supplemental Information Disclosure Statement. The Supplemental IDS identifies a prior art U.S. Patent No. 5,052,680 and a printout from a website associated with the invention disclosed in that patent, neither of which were considered in the allowance of the instant U.S. application. Both references were identified in a SEARCH REPORT dated 20 August 2004 from the British Patent Office in connection with a related British Patent Application No. GB0403532.5. A copy of the SEARCH REPORT is attached to the Supplemental IDS. **THESE REFERENCES ARE CATEGORIZED AS ANTICIPATORY (Type "X") IN THE BRITISH SEARCH REPORT.** The enclosed Amendment revises independent claim 1 and placing claims 3, 8, 11 and 13 in independent form.
